WHAT AN ADVOCATE IS

An **advocate** is someone an athlete invites to support their recruiting: a family member, trainer, mentor or coach. Advocates can follow the athlete's progress and help them get seen. They don't make decisions for the athlete or change their profile.

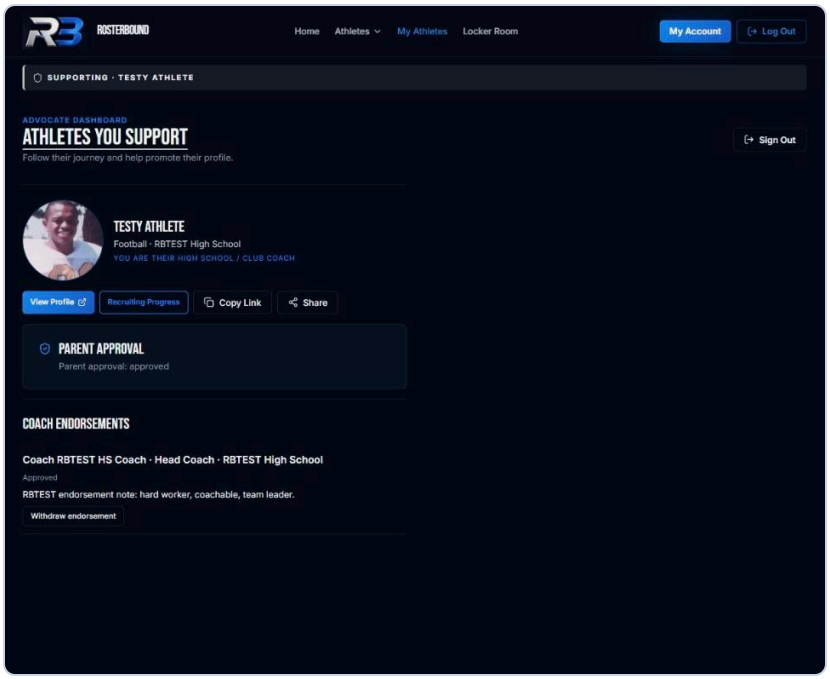

A **backer** is anyone, including fans, who publicly backs an athlete from their profile. Backing doesn't need an invite.

1. ACCEPT YOUR INVITE

1. Open the invite email from RosterBound and click the link.
2. Create an account with the same email the invite was sent to, or click **Log in** if you already have one. The invite is accepted when you sign in.
3. You'll land on your **Advocate Dashboard**.

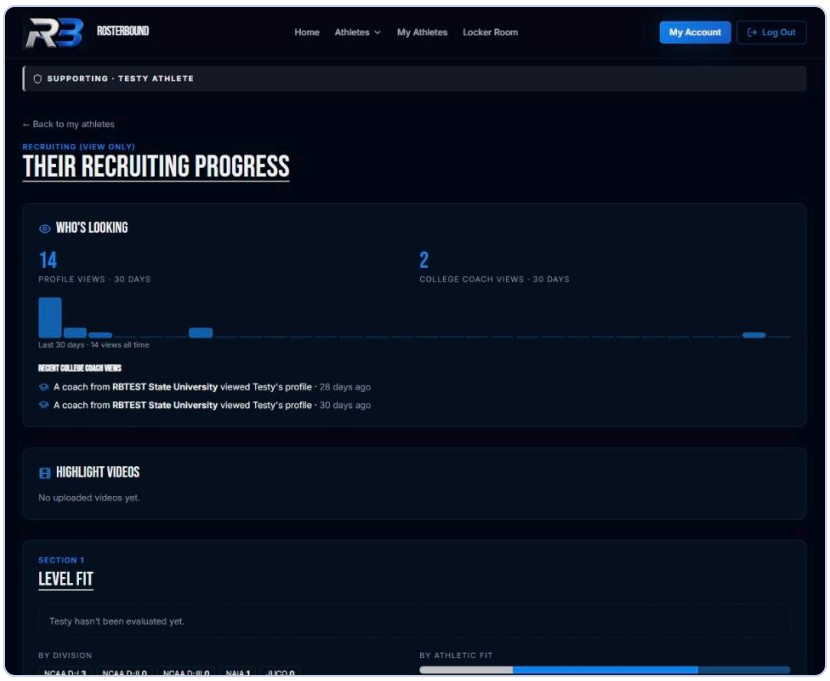

2. YOUR ADVOCATE DASHBOARD

Your advocate dashboard (shown here for a coach advocate).

For each athlete you support, you'll see:

- **View Profile** to open their profile,
- **Recruiting Progress**: views, uploaded videos, level fit and target schools, all view only,
- **Copy Link** and **Share** to pass their profile on,
- their parent-approval status and any coach endorsements.

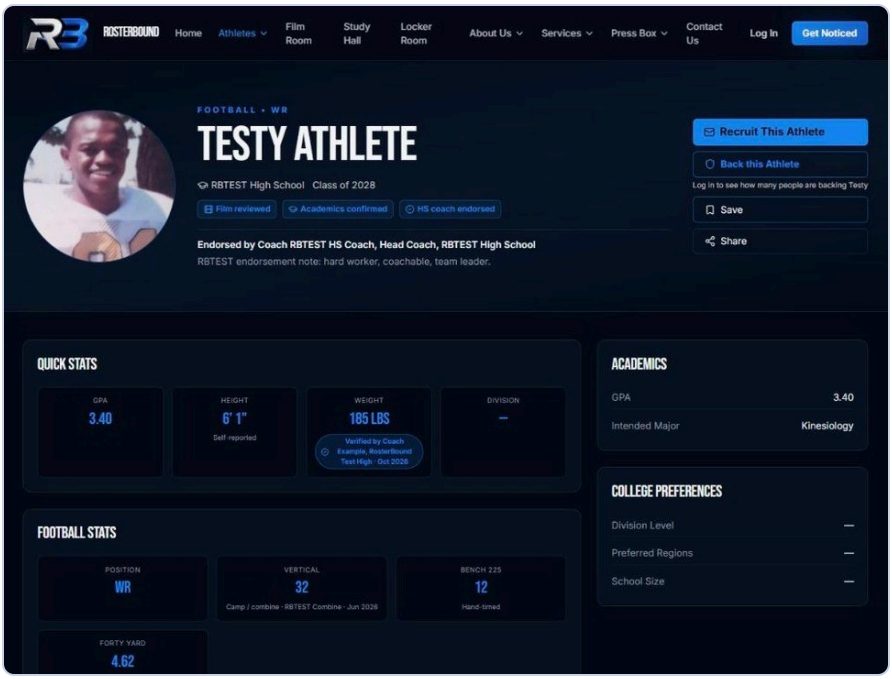

Recruiting Progress is view only.

What you can't see or do: edit their profile, see their private contact details or Recruiting Info, approve publishing (only a parent or legal guardian can), or contact coaches on their behalf.

3. HOW TO HELP

- **Share the public profile** with coaches, trainers and contacts you know. Copy Link makes it easy.
- **Encourage the monthly tasks.** Ask what's on their calendar this month.
- **Help with film.** Recording games and cutting a highlight reel is a great job for a supporter.
- **Back them publicly** (see below), and invite friends and family to do the same.

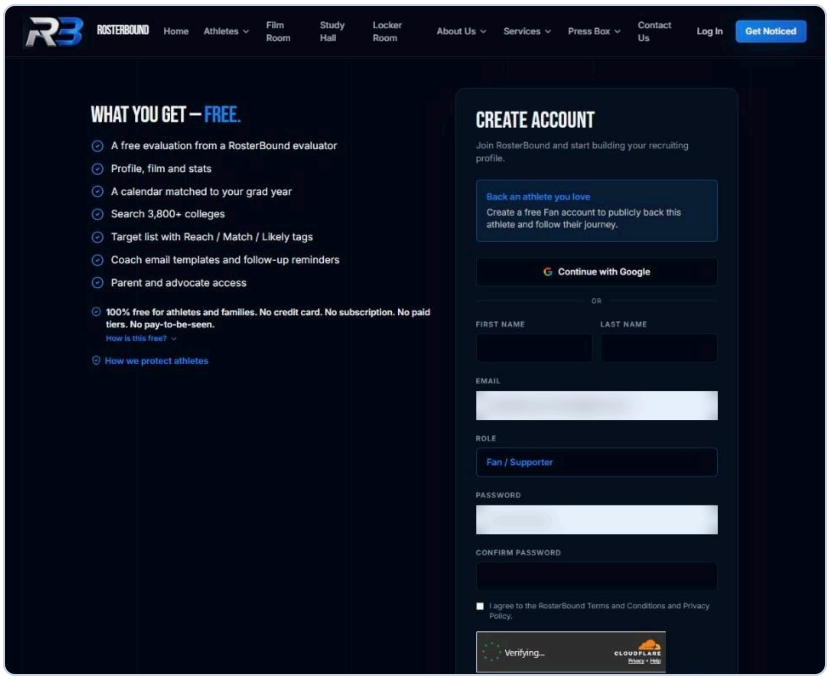

4. BACK THIS ATHLETE

Back this Athlete is on every public profile.

Anyone can back an athlete:

1. Open the athlete's public profile and click **Back this Athlete**.
2. If you don't have an account yet, you'll be taken to sign up as a **Fan / Supporter**. It's free.
3. After signing up, you're returned to the athlete's profile and your backing is counted.

Signing up as a Fan / Supporter to back an athlete.

The athlete sees their backers on their dashboard under **Your Backers**. You can stop backing at any time from the same button.
